Hi, I'm Sherindiva!

📍 *Bogor, West Java, Indonesia*

💻 Experienced in:

- Software Engineering
- Project Management
- Financial Operation
- Web Developement
- Creative Strategy
- Leadership

I have a keen interest in **software development, financial operations, and project management.**

Since 2024, **I have contributed to 20+ tech projects and organizational programs**, ranging from professional internships to college events. I am gratefully entrusted with high-impact leadership roles, including **managing a team of 25+ members and overseeing organizational budgets of over Rp100 million.**

I excel in **analytical problem-solving, cross-functional collaboration, and strategic thinking**. My focus is creating impactful technology solutions and automating workflows to enhance operational efficiency.

Education

🎓 IPB University 📍 *Bogor, West Java, Indonesia*

Applied Bachelor in Software Engineering Technology | 2024–Present | GPA: 3.70/4.00

Relevant Courseworks:
Database Systems, Information Systems, Web Programming, UI/UX Design, Software Quality Assurance, Data Structures and Algorithms, Object-Oriented Programming, and Project Management.

Key Achievements:

- **Best Treasurer BEM SV IPB (2024–2025)**: Awarded for high accountability in efficiently managing a Rp100+ million budget.
- Financial Operations: **Managed a Rp60+ million** operational cash flow for Ormawa Expo 2025 while securing **Rp10+ million in independent funding**.
- Financial Automation: **Developed a custom mobile-responsive dashboard** using Google Sheets & Apps Script to **automate real-time financial reporting**.

BEM SV IPB

2025
Treasurer
Ormawa Expo SV IPB

2025–2026
Outscholar
IPB OUTSCO

2025-Present
Peer Counselor
Sekolah Vokasi IPB

2026-Present
Finance
Vokasi Gercep IPB

2026-Present
Asst. Director Intern
Maven Kreatif Gemintang

Skills & Contribution

What is your skills?

- Financial Management & Budgeting
- Project Planning & Management
- Event Coordination & Planning
- Cross-functional Team Collaboration
- Cash Flow Tracking & Financial Reporting
- Resource Allocation & Risk Management
- Administrative & Operational Strategy
- Analytical Problem Solving

I also learned how to integrate project management methodologies with process automation to streamline event operations and cross-functional workflows.

And the tools?

Mostly Google Workspace (Sheets, Docs, Forms), Google Apps Script, Canva, and Figma.

Notes Done

01. TAKING INITIATIVE TO AUTOMATE WORKFLOWS & STREAMLINE FINANCIAL REPORTING.

Notes Done

02. BE READY TO LEARN NEW TECH STACKS & TOOLS ANYTIME THE PROJECT NEEDS IT.

Notes Done

03. ACTIVELY COORDINATING CROSS-FUNCTIONAL TEAMS TO ENSURE PROJECT GOALS ARE MET ON TIME.

Professional Experiences

MAY-JULY 2024

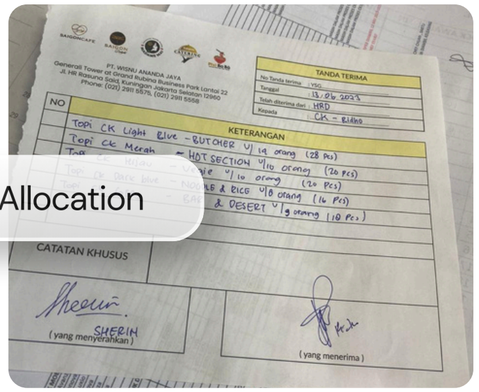
HR OFFICER INTERN

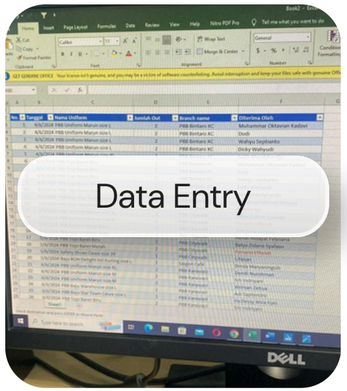
PT. WISNU ANANDA JAYA

Entrusted to manage large-scale employee logistics and inventory operations. What I did was:

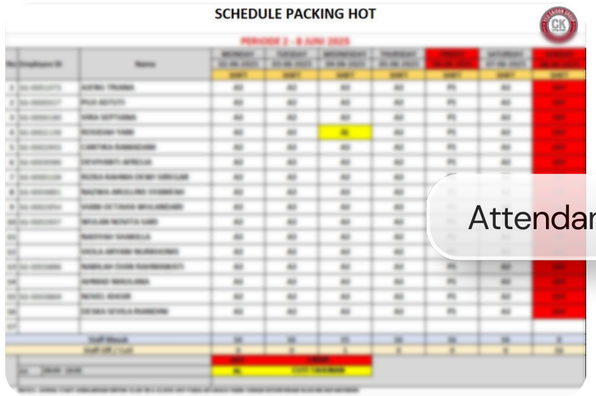
- Managed end-to-end uniform logistics for over 1,100 employees across multiple restaurant branches.
- Handled the storage, packing, and distribution processes efficiently.
- Maintained a structured and highly accurate inventory database to track stock levels.
- Coordinated directly with various branches to ensure precise uniform allocation
- Tracked and calculated attendance records and shift schedules for field workers to ensure accurate operational data.

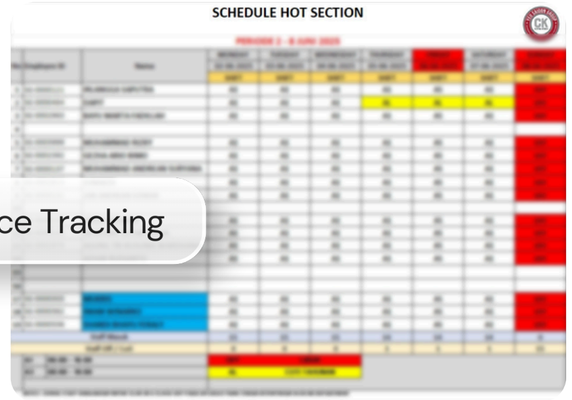
Uniform Allocation





Data Entry





Attendance Tracking

Professional Experiences

JULY 2026-PRESENT

ASSISTANT CREATIVE OFFICER

MAVEN KREATIF GEMINTANG

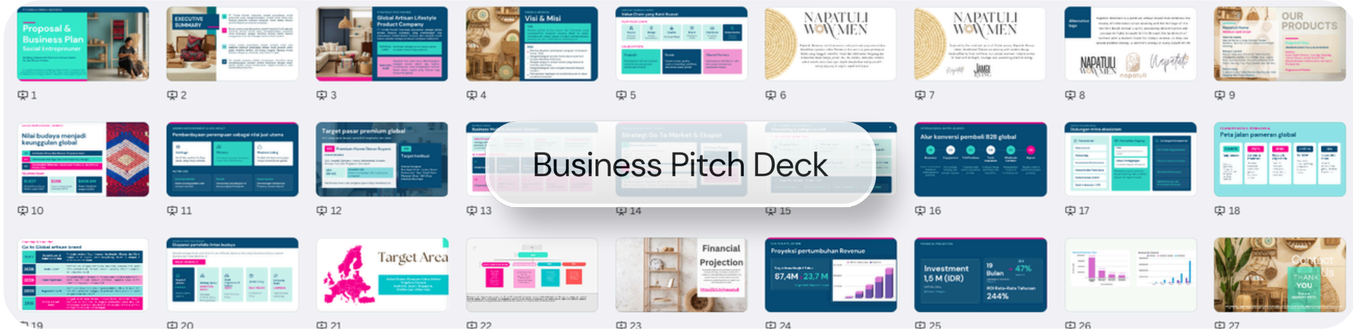
Entrusted to assist the Director in daily operations and creative strategies.
What I did was:

- Coordinated and tracked the execution of 8+ client campaign projects simultaneously.
- Acted as the cross-functional liaison between graphic designers, video production, and content writers.
- Assisted in creating visual designs and creative assets to support ongoing client campaigns.
- Integrated AI tools (ChatGPT, Claude, Gemini, Gamma) into research and presentation workflows, boosting time efficiency by up to 60%.

Social Media Campaign

Brand Identity Design

Landing Page Assets



Business Pitch Deck

Professional Experiences

JULY 2026-PRESENT

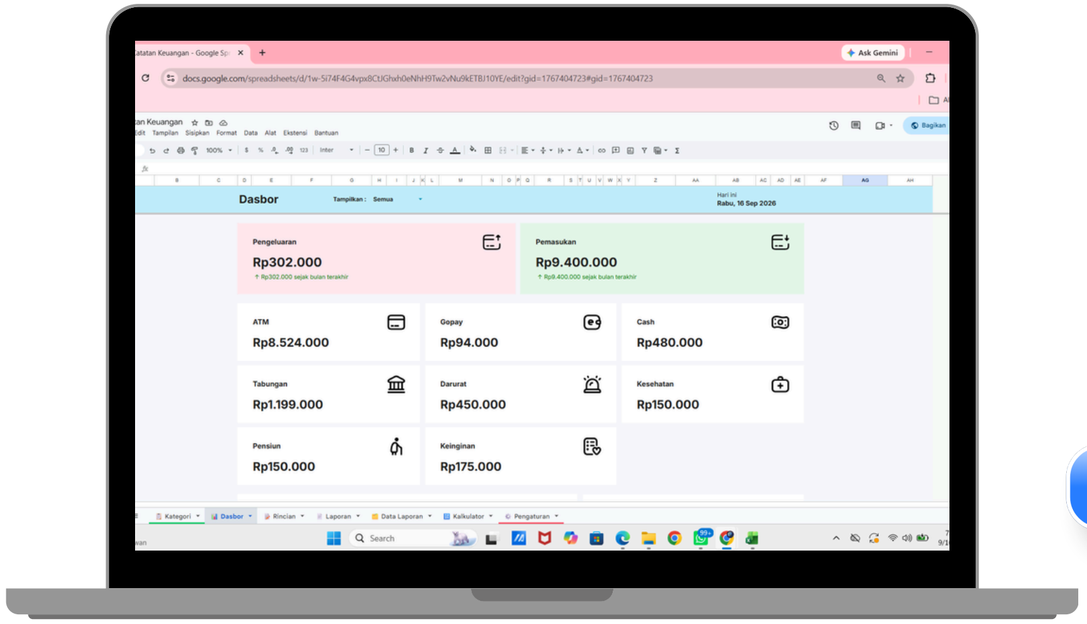
FINANCE

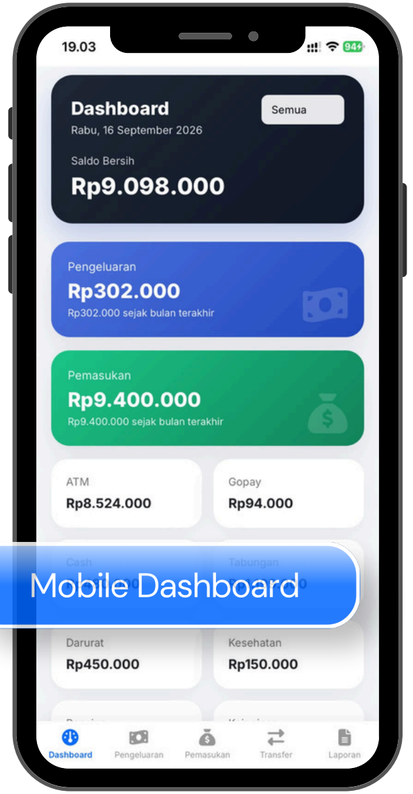
VOKASI GERCEP SV IPB

Spearheaded financial operations and digital workflow automation. Key contributions include:

- Developed a custom financial tracking system using Google Sheets and Apps Script for real-time cash flow monitoring.
- Streamlined weekly payouts for 11 field workers, cutting administrative workload by 80% through automated formulas.
- Designed interactive dashboards to automatically generate weekly financial ledgers and summaries.
- Safeguarded data integrity and achieved 90% accuracy by implementing strict input validations to prevent errors.

Auto-Synced Dashboard





Mobile Dashboard

Demo Mobile

Noteworthy Projects

Acted as CFO in a national Business Model Canvas Competition, leading our team to win 1st Honorable Mention out of 28 teams nationwide.

Your contribution?

Under my financial strategy, we formulated a highly profitable and realistic business projection for the 'CoolGo' project.

Key highlights:

1. Projected a 3-year financial plan from an initial investment of Rp72.000.000.
2. Calculated core metrics: 515% ROI and a 9.69-month payback period.
3. Validated business feasibility with a positive NPV (Rp230M+) and 136% IRR.
4. Visualized complex cash flow data into clear pitch deck charts.

Noteworthy Projects

Served as Project Manager for the development of a custom Web-Based Point of Sale (POS) System for an Ice Cream Shop.

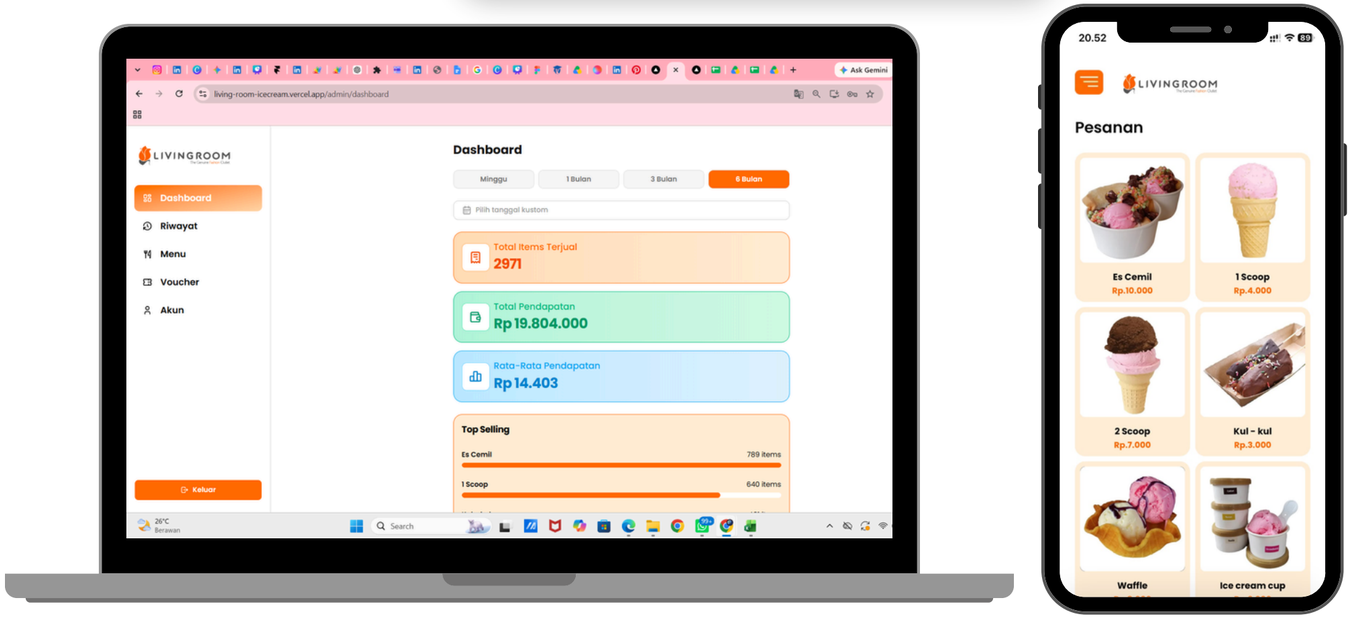
More informations?

I directed the end-to-end project lifecycle, acting as the main liaison with business partners and overseeing all project milestones.

Key highlights:

1. Managed cross-functional team progress and client communications to ensure alignment with business goals.
2. Designed business process flows tailored specifically for the shop attendants (Staf Kedai) to ensure seamless daily operations.
3. Boosted overall operational effectiveness by 50% through streamlined transaction workflows.
4. Successfully delivered a sustainable POS system that remains actively used by the client today.

Web-Based POS System



Due to confidentiality reasons, the data presented in this example is dummy data.

Noteworthy Projects

Served as General Treasurer for the Communication & Information Dept. at BEM SV IPB (2024/2025).

What did you do?

I spearheaded budget allocations and internal cash flow monitoring for 20+ members, ensuring strict transparency.

Key highlights:

1. Monitored cash flows and managed financial records for 7+ work programs, overseeing a budget of Rp150+ Million.
2. Delivered accurate and timely financial accountability reports (LPJ).
3. Awarded 'Best Treasurer BEM SV IPB 2024/2025' for outstanding accountability and efficiency.

Due ro confidential reasons, no work example will be shown.

Noteworthy Projects

Selected as a participant in the IPB Outstanding Student College, an intensive talent and soft skill development initiative.

More informations?

Specializing in public speaking, I actively refined my skills and applied them to real-world initiatives.

Key highlights:

1. Completed intensive public speaking training.
2. Organized training events to develop others' communication skills.
3. Served as Master of Ceremony (MC) for various events.
4. Won multiple national-level competitions.

Noteworthy Projects

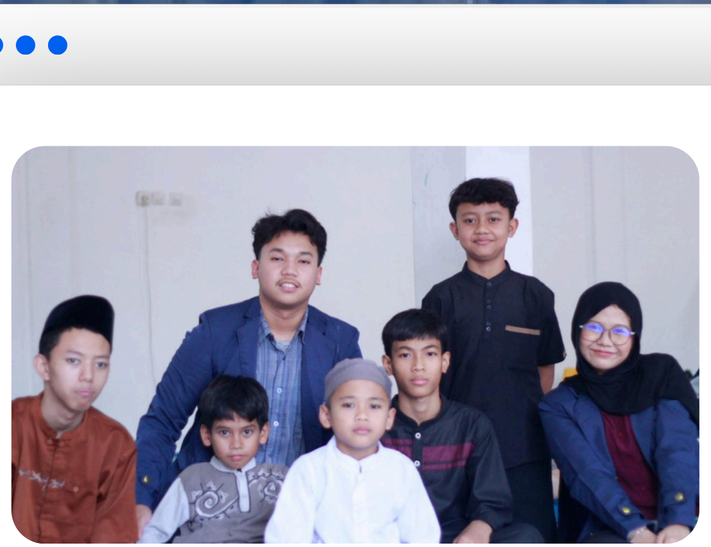
Initiated and served as Project Lead for 'RUMA: Ruang Aman untuk Emosimu', an educational outreach at Panti Asuhan Al-Atiqiyyah.

Your Contributions?

I directed a 9-member committee to successfully deliver basic emotion recognition education to an audience of 25+ children.

Key highlights:

1. Managed and supervised all project divisions to ensure seamless event execution.
2. Facilitated interactive emotion recognition sessions tailored for children.
3. Evaluated learning outcomes via structured pre-test and post-test assessments.
4. Delivered comprehensive activity and impact reports.



Noteworthy Projects

Notes

Done

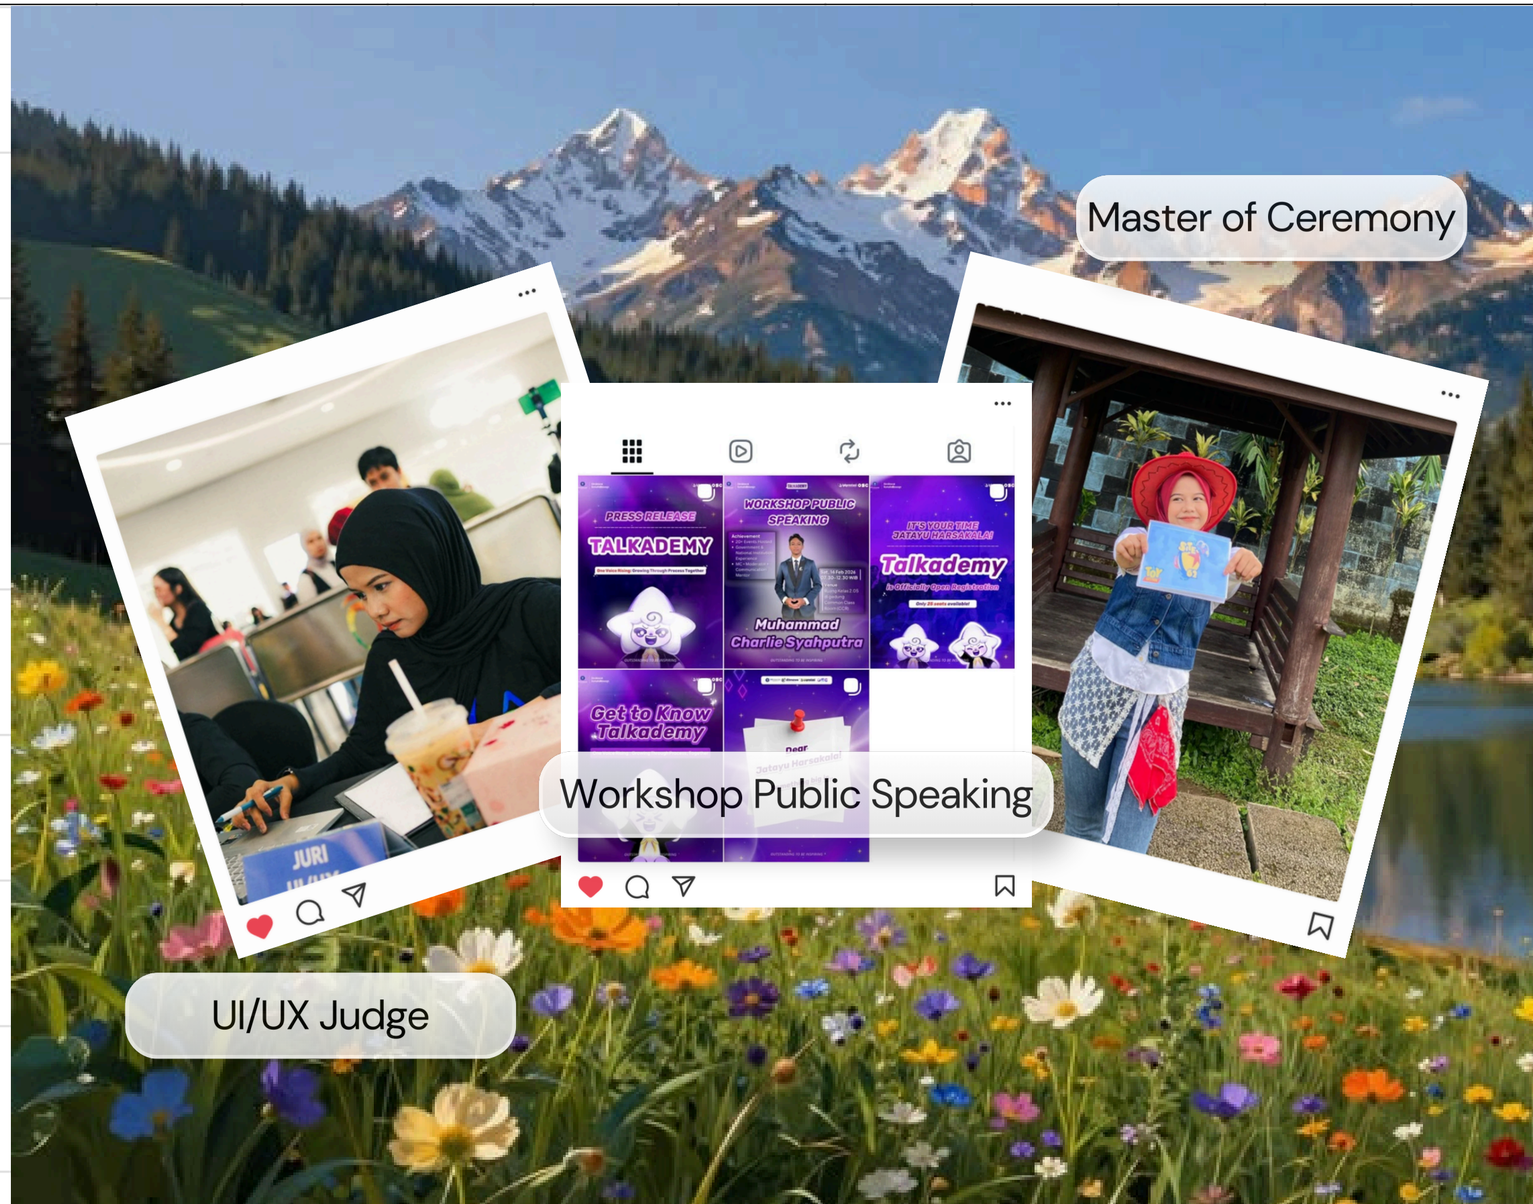
Beyond executing projects, I actively document and amplify their impact through professional writing and public relations. This section highlights my published academic research, official news coverage of my community outreach initiative ('RUMA'), and media spotlights recognizing my academic and organizational milestones.

Others Specializations

Notes

Done

I actively leverage my communication and analytical expertise across various dynamic roles. This section highlights my multifaceted experience beyond standard projects:
Evaluating digital product designs as a UI/UX Judge, co-founding TALKademy to initiate and organize interactive public speaking workshops for students, and commanding the stage as a Master of Ceremony for prominent events.



Every dynamic role I have undertaken has only fueled my passion for continuous growth and impact.

As an active student, I am currently open to new professional opportunities such as internships, part-time roles, and freelance projects.
